Hey everybody I'm Darlene Bolfa & I'm a believer in Jesus Christ the loves to cook and serve others. I am from South Louisiana, in a small town called Ville Platte its right next door to Mamou La. which is famous for Mardi Gras. I have a small Café that opens Mon -Fri 8am to 2pm we serve Breakfast and Lunch only. People ask me why I'm not open at Night or week-ends. My answer is always the same that's Family time. I Choose my Family over Money any day.

I do Believe the Cajun culture is slipping away as the fast pace of this day and time creeps into our small part of the world, everyone running here and there never slowing down to cook a Home Made meal anymore. well I'm sick of our young ones saying they don't know how to cook so I'm here to change that hopefully. if only I can help someone see the Treasure of sitting down at there Dinner Table with the family to eat a delicious meal (no electronics allowed) and just have a meal and Talk with our KIDS & Spouse just maybe just maybe our family's would stick together better and our Kids just might do good in life by making better choices. I'm Hoping anyway.
